(2) Some entrants in the past have been confused as to what constitutes an Australian Bush Ballad and a Gospel song, so we have included the following explanations as guides;

Bush Ballads ... A Ballad is a story therefore an Australian Bush Ballad should be a song with relevance to Australian Country Life, and/or its People and Places.

Gospel...The word Gospel means "Good News" and is used mainly in relation to the Good News as found in the Gospels of Matthew, Mark, Luke and John, therefore the songs chosen should be relevant to the Christian Faith.

(1) Entrants are advised to have more than one song ready for each section they enter so there is NO REPEITION of any song in any one section.
